your application.						
Part B						
Only fill in this part if you have told us about a medical condition before.						
What is the condition?						
Has it got worse since you told us about it?No Ye Have you had any special controls fitted to your						
vehicle since your last licence was issued?No	es					
Document checklist						
where they apply. Tick the appropriate boxes. I understand the false declaration						

You must read pages 6 to 10 of the INF1D before filling in section 6 and 7. Do not fill in sections 6 and 7 or supply a new photograph if you have a photocard licence, unless you are registering a change of name, photograph or signature. UK birth/adoption certificates are not acceptable as sole proof of identity and we may ask for further evidence. We are unable to verify details on non-UK birth certificates and they cannot be accepted as proof of identity.

to us. Enclose a pre-paid secure envelope for us to send these back to you. We no longer issue paper licences. Your new licence will be a plastic photocard, a paper counterpart will accompany it. You must produce both if the police or a court ask for them. You should also present both when taking a driving test. Other organisations such as vehicle-hire firms and insurance companies could ask to see both.
